

INQUIRY DATASHEET

We are happy to assist you in interpretation and calculation of flange connection. For this we need the following information:

- Design acc.: ASME AD2000 other: _____
- Design pressure: _____
- Test pressure: _____
- Design temperature: _____
- Outside-Ø of the vessel: _____
- Flange thickness: _____
- Wall thickness of the vessel: _____
- Material of the vessel: _____
- Material of the flange: _____
- Material of the gasket: _____
- Gasket version: _____ with dimensions: _____
- relevant Gasket factors (y; m | k0; k1; KD): _____

Drawing & Art of the flange and vessel (please attach in appendix)

Other disclosures:

We need the following data, so that we can reply as soon as possible:

- Company: _____
- Contact person: _____
- Street and number: _____
- Postcode / City: _____
- Country: _____

- Phone number: _____
- Fax number.: _____
- E-Mail.: _____
